King Hurler to Win His Fifteenth Straight-Capt McBride Is Reinstated by Ban Johnson-Other Gossip.

By WILLIAM PEET.

Boston, Mass., Aug. 27.—A brisk rainstorm greeted the Washing-ton baseball club as Manager Griffith and official family stepped into the big train shed at Trinity Place shortly before 9 o'clock tonight. Weather bulletins displayed here indicated rain for tomorrow, and the Climbers face a possible double-header on Friday, with one game Sat-

urday.

Catcher John Henry was given a day off and left the players at Springfield, where he boarded a train for his home, Amherst. The hurly backstop will be on the job Friday.

The one bit of cheering news which greeted Manager Griffith as he registered at the Copley Square Hotel was a telegram from Ban Johnson announcing that George McBride had been reinstated. Capt. "Mac" was set down for a "run-in" with Umpire McGreevy during the news at Compiexer Park last Monday. Springfield, where he boarded a train for his home, Amherst. Walter Johnson has been nominated to try for his fifteenth straight victory tomorrow. He will more than likely be opposed by Ray Collins, the Red Sox's big southpaw, who has always been effective against the Chimbers. The last time the Nationals were in the Hub John-

Ninth Club Nosed Out By Bankers for Title

Murphy, After Pitching Great Ball, Weakens in Seventh and Christians Score Three Runs-Attempted Double Steal Kills Chance to Win.

By C. W. SWAN.

Making a game uphill fight against what appeared to be over-whelming odds, the Ninth Street Christian Church ball club lost the final game of the intersectional series and the amateur championship yesterday at American League Park to the Bankers. The final count

was 4 to 3.

Up to the seventh inning "Lefty" Murphy, on the mound for the Money Changers, had pitched invincible ball. Not a man had reached second base and he had retired nine via the strike-out route. In this frame the Christians came through with a real batting rally. A pair of singles and a triple shoved two runs over the pan, with none down and a man on third. Murphy then whiffed Roundfree. Giovannetti then stopped a fast shoot with his shoulder and stole second. Harris hit a grass-cutter at Shipley, who fumbled the ball, M. Broome crossing the plate. With Giovannetti on third, Harris started for second. Zacharv made a good peg to Hayes and Giovannetti was caught off third. ary made a good peg to Hayes and Giovannetti was caught off third. The Christians' receiver then beat it for the plate, but Davis nailed him with a perfect throw to Zachary. This run, had it scored, would

thave tied up the game. Belll ended the inning by fanning, and the Bankers had a one-run lead to Work on.
